What is the FTE Auction All About?

The Auction is our biggest fundraiser of the year! Funds raised go to the FTE Booster Club which pays for things like more teachers, materials and school resources! **The money stays at Forest Trail!** There are live and silent auction items to bid on. The Kindergarten teachers will be auctioning off a **putt-putt date after school!** Please show your support with a bid to your child's teacher! There will also be class art projects from each class so be sure to check them out! They will be available to view ahead of time for silent bidding before the auction in the FTE Foyer.
